

**NAMDEB**  
ON DIAMONDS WE BUILD

**REQUEST FOR PROPOSAL NO. E004-ND-2012**  
**PROVISION OF INTEGRATED DIGITAL RADIO COMMUNICATION NETWORK**

**1. Background**

Namdeb Diamond Corporation (Pty) Ltd (Namdeb) is jointly owned by the Government of the Republic of Namibia and Delibes Holdings Limited (De Beers). Namdeb operates an alluvial diamond mining operation in Oranjemund, which is situated at the southwestern boundary of Namibia.

**2. Request for Proposal**

Namdeb seeks the services of a reputable company for the provision of an integrated digital radio communication infrastructure, including the supply, configuration and maintenance of the radio system, as further specified in the Request for Proposal (RFP) document.

The scope of the services shall without limitation include the provision by the successful service provider of suitably qualified personnel, on-site maintenance / technical support, management, contractor's equipment, consumables, accommodation, messing and transportation for the provision of the digital radio communication network. Interested parties must include the following detail as part of their RFP submittals:-

- 2.1 Current relevant business activities including detailed company profile.
- 2.2 Financial capability.
- 2.3 Technical experience and knowledge.
- 2.4 Competencies to supply, install, maintain and manage the system.
- 2.5 Appropriate business references.

All submissions will be evaluated and short-listed based on the RFP's received, and short listed entities will be invited to participate in the tender process.

**3. Further Information**
