INVITATION TO BID

Invitation to bid online via <u>www.webportunities.net</u> for stock items warehoused by Foskor (Pty) Ltd, Phalaborwa Division.

Material Group:

- 006 Belting and Accessories
- 096 General plastic, rubber (including Rubber hoses)
- 117 Cells Flotation
- 081 Belt "V"
- 005 Bearing
- 204 Fuse

Closing date/Time: 29 April 2010, at 10h00.

Contract duration: 24 months

Interested Vendors are formally invited to submit bids for any or all of the items under these Material Groups. Our stock item requirements are contained in the file "Longterm.xls" on the website and can be downloaded on completion of the online registration. Please submit your tenders via the website to reach us on or before the closing date and time. Note that you do not have to submit your bid in one submission. You can submit multiple bids and if you wish to change a bid already submitted, you can make your changes and simply re-submit it. Our evaluation system will use the most recent tender/price for each item. On 3 May 2010, at 10h00, we will start an electronic evaluation process after which contracts/price agreements will be awarded and details published on the website. Call-off orders will then be placed against these contracts/price agreements. Please note that tenders/quotations not received via the website SHALL NOT be accepted as they cannot be evaluated by our electronic evaluation system. Should you require any assistance on the website, you may contact

Elmo Erasmus at:

Cell - South Africa: 082 492 4946

Should you have any other enquiries please contact Ami Engelbrecht at email – amie@foskor.co.za

Foskor reserves the right to reject or accept any requests received and has the right to withdraw any of the above at its own discretion

FOSKOR

Improve your company's visibility and business opportunities by advertising it on <u>www.webportunities.net</u> Buyers can search the website for potential suppliers of their requirements by company name, product category, service category or brand name and narrow it down to a specific country and city/town. By maintaining your company's profile on our website in terms of products/services and brand names that you can supply, you increase the chances of your company being traced as a potential supplier of buyers' requirements.
