Cable	Pump, Metso spares only
Chemicals	Safety Equipment
Filter, Filter Elements	Steel Plates and Sections
Fuse	Valve, Geomet only
Gas	Vertimills

Click [here](#) for an indication of the number of items per Material Group.

Closing date/Time: 27 Jan 2011, at 10H00

Contract duration: 24 Months

Interested Vendors are formally invited to submit bids for any or all of the items under these Material Groups. **Our stock item requirements** are contained in the file "Longterm.xls" on the website and can be downloaded on completion of the online registration.

Please submit your tenders via the website to reach us on or before the closing date and time. Note that you do not have to submit your bid in one submission. You can submit multiple bids and if you wish to change a bid already submitted, you can make your changes and simple re-submit it. Our evaluation system will use the most recent tender/price for each item.

On 28 Jan 2011 we will start an electronic evaluation process after which contracts/price agreements will be awarded and details published on the website. Call-off orders will then be placed against these contracts/price agreements.

Please note that tenders/quotations not received via the website, SHALL NOT be accepted as they cannot be evaluated by our electronic evaluation system.

Should you require any assistance on the website, you may contact Elmo Erasmus at:
