

Request for Proposal No. E272-ND-2013

The Provision of Dredging Maintenance Services

1. Overview

Namdeb Diamond Corporation (Pty) Ltd (Namdeb) is a wholly owned subsidiary of Namdeb Holdings (Pty) Ltd. Namdeb operates a diamond mining operation at Elizabeth Bay Mine near the town of Lüderitz.

2. Specification of the Services

Sedimentation is occurring at Elizabeth Bay Mine's seawater intake jetty. The sedimentation is a consequence of the historic and on-going beach accretion in the western corner of the bay. The sedimentation is causing high wear rates on pumps and reduced water supply. Maintenance dredging is required to increase the water depth at the intake pumps and surrounding seabed area.

Namdeb hereby invites reputable and qualified bona fide service providers to submit proposals for maintenance dredging at Elizabeth Bay Mine as further specified in the Request for Proposal (RFP) terms of reference document.

Tenderers must include the following details as part of their tender submittals:-

- Current relevant business activities including detailed company profile,
- Practical experience and knowledge,
- Competencies required for the overall provision of the services,
- Appropriate business references.

A compulsory site visit will be conducted on the **Thursday, 28th November 2013** and the site visit shall be an integral part of the RFP process.
