Tender Enquiry Number E002-ND-2012

Invitation to tender for the supply of premixed concrete to the Recovery Red Area Complex construction site.

1. SPECIFICATION OF THE SERVICES

The supply of pre-mixed bulk concrete at an approximate rate of 50m³/day to the Red Area Complex construction site situated in the no-mans land between the mining area and Oranjemund town.

Specific Contractor's Responsibilities

- Ownership and operation of the equipment.
- Full repair and maintenance services on the equipment, including parts, labour and consumables.
- Site supervision.
- Compliance with Namdeb policies, procedures, safety regulations and environmental programmes.
- Transport of equipment to site and back.
- The provision of transport and other services as may be required by the contractor's personnel.
- Transport of personnel between the construction site and domicile.

The tender proposal must demonstrate the contractor's capability and capacity in terms of business, financial, technical and operational competencies to provide the required service.

2. INSTRUCTION TO TENDERERS

Interested entities who have a proven track record for the supply of abovementioned, may request the tender documentation, from the following person:-
